**Government use** is nonprofit for reports, but publications for sale to the general public, displays in public spaces and documentaries are charged at the for profit rates

**Use by the local media** is free if they scan or take photos with their own equipment and work done by the volunteers is limited to a basic search. Extended research and scans done by our staff/volunteers will be charged at the regular rates. Media must give appropriate credit to SOHS

**Camera use** must be approved by library staff or a volunteer. SOHS photos may not be photographed and fair use limits and copyright issues must be considered. Guidelines are available (I:/Library/INSTRUCTIONS/camera use guidelines.docx)
